

## **EPHJ-EPMT-SMT Medtech Forum**

**Palexpo Geneva, Room U, June 17, 2014**

### **PROGRAM**

**11:00 Introduction**

Joseph Maisano, General Secretary INARTIS NETWORK and Claude Joris, Head of Bioalps

**11:10 Main Keynote:** Benoît Dubuis, Director Biotech Campus, Geneva

**11:30 Session 1: Synergies Medtech & Microtechnologies**

**Florent Saillard**, Business Unit Director, Life Sciences & Healthcare Altran Switzerland "Transdisciplinary Innovations in Life Sciences"

**Patrick Albert**, Division Head, Microsystems Technology CSEM "Microsystems for Life Sciences"

**Damarice Lai**, Startech, "Synergies and Cross-functional innovation in Medtech industry"

**Olivier Zava**, CEO Biotech Biocartis "Personalized Medicine"

**Jean-Luc Thuliez**, SwissBiomed Domteknika, "Synergies in Medtech and Microtechnologies"

**12:30 Session 2: Functional surfaces**

**Christophe Provent**, CEO Neocoat, "Diamond coating for Medtech Industry"

**Veronica Savu**, CEO Morphotonix, "Surface-Embedded Anti-counterfeiting Solutions for Healthcare and Medtech Polymeric Products"

**Laurent Eguehard**, CEO Niklaus SA, "Functional Coatings for Medtech"

**Simon Bühlmann**, CEO Hanco Schleiftechnik, "Abrasive Solutions for Medtech- and Watchindustry"

**13:30    Session 3: Medical Technologies**

**Alain Codourey**, CEO Asyri, "Robotics for the production of medical devices"

**Rene Jähne**, Head of Development Monolitix, "Innovative, hinge-less and wear-less mechanisms for medical products and precision systems"

**Carlo Turzi**, Adjunct Director Regenlab "CellularMatrix, at the Crossroads of Medical and Industrial Innovation"

**Shoko Nilforoushan**, Medistri, "Medical Solutions for disinfection"

**Alain Woodtli**, Yttermed, "Innovation in medical design and laser micro-welding"

**14:30    Questions & Answers** lead by Benoît Dubuis, Director Biotech Campus, Geneva

**15:00    Networking / Standing lunch**

**For any question please contact:**
